## CNC TECHNOLOGY

The High-Demand Industry-Ready CNC Technology Pathway Pre-Apprenticeship program includes 56 hours of theory and hands-on skills training. It provides individuals with a career pathway into Southern Crescent Technical College's academic programs and an introduction to the fundamental concepts and skills required for entry-level positions in high demand industry sectors in SCTC's eight county service area. Through SCTC's CNC Technology program, individuals are able to explore and train for careers as machinists, toolmakers, or die makers.
